Email of Request

Subject: Request for Permission to Submit Assignment Late

Dear Professor,

I hope you are doing well. I am writing to request permission to submit my assignment a few days late due to some unexpected circumstances. Because of these circumstances, I was unable to complete and submit the assignment before the deadline.

I sincerely apologize for the delay. I kindly request you to allow me a few extra days to complete and submit the assignment. I assure you that I will submit it as soon as possible.

Thank you for your time and understanding. I look forward to your positive response.

Best regards,

Chandana
